

**Course 2010-0123: Masters on Photonic Networks Engineering
Edition 2014-2016 – Local path**

Students in the Main List are admitted to attend the MAPNET Masters – local path at Scuola Superiore Sant'Anna. Admission is subject to satisfy call requirements as per art.5 of the official call.

The TeCIP Institute of the Scuola makes available one scholarship for the first year of the Program, reserved to the first ranked applicant. The scholarship covers the annual tuition fee to the Masters (including national health and accident insurance), the board and lodging. Board and lodging will be provided and chosen by Scuola Superiore Sant'Anna. For the second year of the Masters Program, TeCIP Institute makes available one scholarship reserved to the student who registers the best academic performance in the first academic year. The scholarship consists in the same benefits of the first year grant.
